Sir:

This paper is filed in response to the attached Notice Of Omitted Items In A Nonprovisional Application, wherein it was noted that Figs. 18 and 19 described in the specification were omitted.

The problem was that the description of the drawings was erroneous in improperly identifying the drawings which were submitted and identifying two drawings that were not included and the contents not described.

A preliminary amendment is submitted herewith correcting the specification and wherein only seventeen (17) figures are now described which match the figures originally submitted.

Please charge any additional fees, or credit overpayment to Deposit Account No. 07-1896. A
DUPLICATE COPY OF THIS SHEET IS ENCLOSED FOR THIS PURPOSE.

Respectfully submitted,
